

A man with a beard and short hair is shown from the chest up, wearing a blue ribbed hoodie. He is looking towards the camera with a serious expression. His right hand is raised, pulling at the collar of the hoodie. The background is dark and textured, possibly a brick wall. The lighting is dramatic, highlighting the texture of the hoodie and the man's features.

A man with a beard and short hair, wearing a dark blue jacket and tan work pants, is carrying a long wooden plank on his shoulder. He is standing in a construction area with a wooden fence and a brick wall in the background. The scene is brightly lit, suggesting a sunny day. In the foreground, there is a large, light-colored circular object, possibly a wheel or a part of a machine, which is slightly out of focus.

“

The trousers feel much lighter to wear. I really like that there is ventilation at the knees, behind the pockets and at the back of the trousers.

Ea, Painter and Test User

A man with a beard and short hair is wearing a red zip-up hoodie. He is looking directly at the camera with a serious expression. His right hand is near his chest, and his left arm is crossed. The background is dark and textured. The text "MATCH YOUR STYLE" is written in white, bold, uppercase letters across the center of the image. On the left side, there is a vertical bar with several colored squares: teal, light blue, dark blue, purple, red, and brown. On the right side, there is a vertical bar with a light blue background and a faint, white, geometric pattern of lines.

A close-up photograph of a dark green, textured fabric, likely a technical textile, covered in numerous small, clear water droplets. The droplets are scattered across the surface, demonstrating the fabric's water-repellent properties. The lighting is soft, highlighting the texture of the fabric and the individual droplets. The background is a light blue-grey color with faint, abstract geometric patterns.

WATER-REPELLENT

A man with a beard and short hair is shown in profile, looking towards the right. He is wearing a long-sleeved button-down shirt with a plaid pattern in shades of maroon, grey, and white. He is holding a red and black power drill in his right hand. The background is a blurred outdoor setting with green foliage and a bright light source on the right side, creating a lens flare effect. The image is framed by a dark purple border with a faint grid pattern.
